IN THE CLAIMS

Please substitute the claim set in the appendix entitled Clean Version of Pending Claims for the previously pending claim set. The substitute claim set is intended to reflect the amendment of previously pending claims 32, 34, 38-40 and 51. The specific amendments to individual claims are detailed in the following marked up set of claims.

30. (Unchanged) A computerized system comprising:
a computer having at least a processor and a memory; and,
a mouse pointing device positionable over a surface having a plurality of uniquely coded positions arranged in a gradient, the device sensing the coding of the uniquely coded position underneath the mouse and conveying to the computer information relative to the uniquely coded position underneath the mouse.
31. (Unchanged) A mouse pointing device comprising a mechanism movable over a surface, the surface having a plurality of uniquely coded positions arranged in a gradient, the mechanism adapted to detect the uniquely coded position underneath the mechanism and to transmit
